

# FISSER FLIEGER. SKYSWING.

Thursday to Saturday from 1pm to 4pm (not in operation on Sun, Mon, Tue, Wed).

## Fisser Flieger

Put on your flying jacket. Strap yourself in. On your marks, get set, go! It starts with a buzz of excitement, a real adrenaline rush. Then suddenly everything is going at top speed. The Fisser Flieger is a flying machine that resembles a hang glider. It carries four passengers, accelerates very quickly and then races across the Möseralm at over 80 km/h, up to 47 metres above the ground. This is a free-flying feeling not to be missed!

## Skyswing

The moment that could become addictive: For a fantastic moment when centrifugal force and gravity are suspended, your body feels weightless. The Skyswing has space for up to 8 people at one time and can be ridden at 3 different levels.
