

GOURMET GONDOLA 2022. BREAKFAST. FISS. 5 STAR DELUXE. WE ARE FAMILY.®

Enjoy a royal breakfast in what is probably the most unique breakfast location in our region.

Programme: Meeting point is at 08.00am in front of the ticket office at the bottom station in Fiss - there you will be picked up by us. Afterwards you drive together with us, even before the regular opening times, with the Schönjochbahn to the BergDiamant, where a glass of freshly squeezed orange juice is already waiting for you. You will then step on board the breakfast gondola, which has been reserved and prepared especially for you. While you are leisurely floating three rounds over Fiss, we serve you our very own marinated fish, steak tatar, variations of homemade bread, a superior selection of cold meats and cheeses, eggs cooked as you like them and much more. Last but not least, a sweet ending awaits you at BergDiamant.
