INDOOR PLAYGROUND
PLAY^{IN}.
SUMMER 2023.

WE ARE FAMILY.®

Indoor Climbing Paradise.

Here, climbing becomes an experience. 12 different climbing walls or lines such as Vulcano, Speed Competition Line, Spider Web, Geometrix Lines (two free-standing towers) are available, and much more. Free climbing shoes rental.

Soft Play Area.

The area extends over 6 floors with everything children could ever desire! Ball pools, ramps, tube slides, revolving doors, roller presses, portholes, balance beams, climbing hills, a trampoline, ball sluice, climbing pipe, climbing net, and much more.

Laser World.

An interactive laser game with various different levels. Skill is required to snake around the laser beams.

Play Wall.

An interactive, digital play wall that can be used in twos or alone. Classic games like Connect Four and Memory are double the fun here. It can be played on two levels, so that the youngest guests can also join in.

Boulder Raum.

The Boulder Room is all about solving a task in parallel to climbing. More precisely, a ball must be moved from A through the entire room to B. And the cool thing about it is that you'll feel like you're in a chemistry laboratory!
